### **Minutes**

The minutes of the last meeting were agreed to be a true record and accepted, after the "CSP" initials had been corrected

### **Matters Arising**

Fred submitted his pie chart article to the Communicata, and has found out since then that it has been included in the next edition but without the chart!

Resubmitting for the following edition was proposed.

Fred had also produced a chart for the village show wall, and is going to combine the data with the carnival data.

Anne has been in contact with both Charlie O'Neil and Linda Marshall since the last meeting and has reminded them of the next meeting dates.

### **Competition for school feedback**

Helen was able to report back that the visit to the school had been successful, and that the competition has been extended for another week. She showed examples of the sheets prepared by Fred which were handed out, but unfortunately didn't demonstrate her Ralf Harris moment.

### **Correspondence**

Jake Atkinson of Voluntary Action South Leicestershire has requested to attend the next meeting, and this was agreed by the group.

Lizzie Clarke had written to Helen to say she is leaving the area and that someone else at RCC will be overseeing the group. Lizzie will attend the next meeting.

### **Supplementary Questions**

Steve agreed with the cuts made to the "Church" section at the last meeting but also requested that Q26 is included. The wording for this would be changed to read "Are Fleckney's places of religious worship important to you?"

Energy - To be reviewed after Environment
