### **Matters Arising**

Helen Had obtained prizes for the competition winners and has arranged to visit the school to award prizes following the competition on November 19.

For publicity photographers from the Harborough Mail and The Leicester Mercury have been contacted.

Fred explained that it was difficult to contact the Parish Clerk as he collected his email via a dial-up connection, but once contacted there was no problem picking up the money.

There was a discussion regarding the Goose card. Emma got prices for the "Goose" card;

4 colour 1 side, 300 £85.00, 500 £115.00, 700 £145.00, 1000 £215.00

It was decided at the meeting to delay the decision until it was clear that the school would be willing to help sell some of the cards as the outlay for 500 with VAT would exceed an eighth of the total grant. Peter will email Emma to ask if she can prepare a mock-up for Helen to show at the school on the 19<sup>th</sup>, and to find out the lead time for the order to be complete for the Late Night Shopping.

Wording for the back of the card to be along the lines "The Duck Pond" by Naran Darjas, Highly Commended in Competition run by Fleckney C of E Primary School and Fleckney Parish Plan Group"
