### **Minutes**

The minutes of the previous meeting were passed as a true record

### **Correspondence**

Email from Dean Boonham, stating his intention not to attend a meeting until the draft questionnaire has been completed since he feels he is not much help until that point, and resources are stretched.

Message from Helen sending apologies, and requesting that publicity (posters) be added to this meeting's agenda

### **Matters arising**

The gift for the printer has not been resolved. The invoice for the cards has been passed to the parish clerk for payment.

### **Publicity**

The need for poster update was discussed, to include new RCC contact details, and future meeting dates. It was decided to plan the next six dates, so that posters would not need to be updated with sticky labels. (See below for the dates). Emma is to look at producing these in A4 size for easy posting, and to use coloured paper to make them stand out more.

The group would have some kind of promotion at the school St George's Day event on 19 April, and to sell cards. This is to be an agenda item for the next meeting.

### **Questionnaire**

The supplementary questions on Education were reviewed. A copy of this original will be circulated with the minutes to assist.

The following changes were proposed.

Omit questions 1, 2, 3 and 4.

Insert "Fleckney" in question 5

Omit Q6 & 7

Combine Q8, 9, &10 to read "If you have children attending the village school, what is your opinion of the services provided?"

Add a Question (10A) "Any comments?" and suitable space

It was suggested that Helen asked Mr Harvey if there were any other questions he may want in the questionnaire

Omit Q11 – 13. Ensure transport issues are covered in core questions 1B and 1C.

Modify Q14 inline with Q10 and 10A. "If you have children 11 - 16 attending school, are you satisfied with the standard of education they receive?"  
Add (14A) "Any comments?" and suitable space  
Omit Q15, 16, 17, 18 & 19
