Discussion with Charlie O'Neill

Charlie is the Youth Development Worker for the Kibworth locality, which includes Fleckney. He explained the funding and local setup. The youth club workers in Fleckney come under Alison Jollie Clubs for Young People.

The questionnaire for youth that was put out last year was answered by a narrow age range and therefore could be used again. Charlie advised us that the wording of any questions aimed at young people is best vetted someone in the target age range to ensure that the wording is friendly. He also requested that in the main questionnaire there would be a section where anyone who wished to volunteer to help with young people could put themselves forward.

Next meeting dates

The following dates have already been fixed for meetings

March 11

April 1, 15, 29

An item for the agenda for the next meeting is to review the youth questions following Charlie's visit.

The meeting closed at 9.00pm.
