Matters Arising

School

Helen contacted David Harvey by phone. An arrangement was made for three plan members to visit the school for an Assembly on 24 September. Competition papers can be handed out then, and collected one week later.

Details of age range etc. for the competition required before then so that the Art and Geography departments can link in with the competition.

Volunteers are required for the school visit, Helen and Lizzie have said they can go so one other person required, suggested should be male.

Youth Session

It had been hoped that a young person would attend the meeting, but this didn't happen. However it was decided to continue with the youth issues. Lizzie provided some ideas sheets, and ideas for the youth questionnaire were discussed. Anne said that the C. S. P. (Community Safety Partnership) had done a questionnaire and would try to obtain a copy to use for guidance and to avoid duplication. Also group should look at Youth Forum ideas

It was suggested that the youth in the village wanted a shelter and possibly a drop in café. It was decided to add additional questions to the "Sport, Leisure and Recreation" section of the core questions.

"Do you think the Village needs a Youth Shelter?"

"If yes should this be located at:

Recreation Ground, Lodge Road Recreation Ground, Duck Pond Green, Meer Green, Priest Meadow, Next to Library, Other location, please state below"

"Should the youth in the Village have a Drop-in Café?"

Exact wording is to be decided.
