Matters Arising

Carnival details

Balloons; Fred will obtain a sufficient quantity of helium filled balloons which will be decorated with suitable slogans using a marker pen.

The stall had been booked at no charge

Steve was suggesting suitable boarding was available.

The "Ideas Wall" would be supplied by Lizzie

The stall would be manned by Helen, Fred, Georgina and Gary.

Lizzie had provided fliers

School and Competition

This will be discussed by the group after the school staff have made contact

Core Questions

Lizzie had sent a list of questions which have been deleted from the Core Question master list. These are 5e, 5f, 10b, 12a, 12b, 12c, 13a, 13b, and 17. It was felt that the reasons behind their removal needed better explanation than "not really essential" before the group would remove them from the Fleckney list, so Peter is to contact Lizzie regarding this.

The questions to still be reviewed started with 12a and worked through to 18.

The proposed changes were 13a – "Access" to be bold type, 13b – remove the column "Never tried to access"

Helen reviewed the scope of the supplementary questions but it was not possible to discuss them as there were no copies to distribute. Roy confirmed that the originals were on the Leicestershire Villages hidden area and that before the next meeting Peter would circulate by email and print a few copies for those without home computer facilities as the Library charged for printing.

Also the core question list would be updated in line with the minutes.

Leicestershire Villages Web Training

A training session had been organised by Roy and was run by Chris Poole who works on the site. The session was well attended by members of the group and was considered to have been very successful by the attendees.

Next Meeting Date

The next three meeting dates were set for 21st August, 11th September and 2nd October.
