

Fleckney Parish Plan Group Minutes

Meeting held on 13th May 2008 (7.30pm, Fleckney Library Centre)

Present: Jan Leigh, Peter Leigh, Helen Neave, Georgina Theobald, Steve Robson, Biddy Vanderpool, Emma Harding,

Apologies: Gary Lilly, Anne Gilhespy-Muskett, Roy Shipman

Minutes

The minutes of the previous meeting were passed as a true record.

Matters arising

Covering the cost of inputting the questionnaires for analysis was discussed. It was decided to address the problem when it arose.

Fleckney Fest

The group will have a stall and as well as posters it is planned to have some kind of game/competition about the village. The form this will take is to be discussed at the next meeting, giving group members a chance to develop their ideas.

Youth Questionnaire

Dean had returned the Youth Questionnaire with comments added by Leicestershire County Council. Most of the comments were seen to be valid.

(The revised version will be distributed with these minutes)

The online option needs to be investigated

Helen has been in contact with Charlie O'Neil and he is prepared to distribute the questionnaire at Kibworth High School

Questionnaire

It was discussed if a separate version of the questionnaire should be made available for businesses to complete. Jan is to find out if HDC have a record of how many businesses are in the parish. Peter to strip out relevant questions from the main questionnaire that are relevant

Front page ideas were suggested by Helen. On the front would be an introduction explaining the need for the plan, and on the reverse the "how to complete" instructions. There was agreement over the scope of Helen's draft introduction but some concern about repeated words, a problem especially with the words "parish" and "plan"!

Details will be required for instruction the "online" version of the questionnaire.

Janet Earwaker has offered the "Communicata" distribution map for working out how to complete distribution efficiently. It was suggested the a collection date be given, and for there to be drop boxes for those that were not in at the time of collection to return their questionnaire, with a date about 2 weeks after collection day as a cut-off. Steve has prepared a master questionnaire from the core questions and the minutes. This will be used as the basis for the final version
